

# SWITCHFOR FREEDOM

## **Introducing: Switch for Freedom**

***Take a step to change your life with AMVETS.***

Millions are putting down cigarettes for vapor devices. Now it's your turn, AMVETS!

We'll make the switch as a team. We'll help everyone succeed with events, discounts and rewards.

### **Here's How It Works**

***It sounds tough, but the AMVETS Family will support you every step of the way.***

- 1. *Switch for Freedom* is available only to members of the AMVETS Family who are current cigarette smokers.**
- 2. Participation happens on the Post-level. Build a team of 10 or more smokers who want to switch, then contact us to enroll.**
- 3. Host a *Switch for Freedom* event at your Post. You'll receive a program presentation by AMVETS National representatives, plus free food and drinks.**
- 4. Participants can pre-enroll or register at the event. They will receive a vaping device and a 30-day supply of pods in the mail within a few days.**
- 5. Now the challenge begins! Switch from cigarettes to vaping one day at a time. This website and the AMVETS Program Manager will help track your progress.**
- 6. AMVETS will reward individuals and Posts that continue with the 90-day program. See the Rewards page for details.**
