

The weekend of May 16-17, 2020, a small group of volunteers, Vets, SOA, and Riders are coming up to the Lodge to help in the Spring Clean-up. The Lodge H.Q. must continue to show our sincere efforts to keep it alive and healthy.

Presently, the Lodge H.Q. is waiting for the Stay at Home regulations to end, as there are Volunteer families and contractors wanting to help in refurbishing the Higgins Lake's Cottages and Lodge issues. These Volunteers are priceless and we do not want to lose their help with these issues.

Remember as a family we are dependent on one another for our continued existence and future growth. That's why we must work together and continue to follow our Chain of Command, so that we can work together and not independently. "Those who stand alone, stay alone" that is not a family!

I also, want to thank all our Dept Committee members for contributing to their individual meetings that were held this month. These efforts will allow us to continually move forward and stay as a " Amvet Family".

Sincerely,

Charles A. (Chuck) Petch,
Amvets Dept of Michigan, Commander
