

Commanders.

Now that posts are starting to open up if you are having elections in person please remember that Department and National need to have a copy of the revalidation, If you revalidate your post online with National, Department still needs the paper copy of the revalidation form.

If your post is still closed all officers will remain in place until you can have an election in person, if a person wishes not to retain their position they need to resign in writing and then the Commander may appoint someone in that position.

Whether you have an election or carry over the same officers, the revalidation form still must be filled out and sent to National and Department by 15 July 2020.

Should after 15 July 2020 you have an election and change any officers a new revalidation form must be filled out and resent to National and Department.

Hope this clarifies the process for the revalidation for the Corona Virus Year.

Please feel free to contact me if anyone has any questions.

Hope all are staying safe and Healthy.
