

Many of you have supported JetCo Solutions throughout the years or have contributed to our 2019 Veterans Wish List Drive. While we usually host a drive to donate essential items to veterans in the community, this year looks a little different due to COVID-19. **We're proud to announce the launch of our non-profit, For the Vets!**

For the Vets' mission is to demonstrate gratitude for retired veterans through community acts of kindness and generosity. We do this by organizing charitable activities and spreading information about veteran business ownership.

**The first For the Vets charitable initiative runs Wednesday, November 11 (Veterans Day) through Friday, December 11.** During this time, we will collect donations to benefit the Grand Rapids Home for Veterans and the D.J. Jacobetti Home for Veterans in Marquette. 100% of all donations will directly benefit the initiative. For the Vets is supported by volunteers, and we have no overhead costs.

I encourage you to share this information with your network and consider donating to the organization so that we can make an impact on veterans in the community! Please use the links below to find information about the organization and how you can donate.

Happy Veterans Day, and thank you to those who have served!

Sincerely,

Lieutenant Colonel (retired) Jon Tellier  
President, JetCo Solutions
